### **NURSING EXPERIENCE**

**Circulating Nurse**, Seattle Children's, Seattle, WA

*February 2021 to Present*

#### Operating Room

- Perform all standard duties of the circulating nurse in surgeries from a range of specialties including neurosurgery, craniofacial/plastics, orthopedics, general surgery, urology, otolaryngology, and gynecology for a diverse pediatric and young adult patient population.
- Monitor procedures for compliance with facility policies, AORN guidelines, and standard patient safety practices.
- Ensure patient safety throughout the procedure by working with the interprofessional OR team.
- Orient and train newly hired circulating RN's.

**Preoperative/PACU Nurse**, Prime Surgical Center, Encino, CA

*October 2019 to December 2020*

#### Ambulatory Surgery Center

- Care for patients who are having a range of procedures done, including GI, OB, orthopedic, and general surgery cases.
- Admit patients to the surgery center: perform physical assessments, start IV's, assess the patient's medical history, and prep the patient according to the surgeon's orders.
- Provide care during the post-operative recovery period by assessing for complications, implementing interventions as appropriate, and performing discharge teaching with the patient.

**Staff Nurse**, Memorial Medical Center, Modesto, CA

*March 2018 to June 2019*

#### Intermediate ICU

- Provide direct patient care to a diverse patient population with a variety of diagnoses including acute myocardial infarction, stroke, diabetic ketoacidosis, and trauma.
- Safely administer medications including nitroglycerin, insulin, and dopamine drips.
- Recognized as a "Unique Contributor" during Hospital Week in May 2019.
