PROFESSIONAL EXPERIENCE

Operating Room Nurse

Seattle Children's Hospital | Seattle, WA
February 2021 - June 2023

- Collaborated with the interprofessional surgical team to ensure patient safety for a wide variety of procedures, including neurosurgery, craniofacial/plastics, orthopedics, general surgery, urology, otolaryngology, and gynecology
- Trained and oriented newly hired and student nurses to the operating room
- Interviewed surgical nurse and technician candidates in a panel interview setting and helped select new hires with the other members of the panel and unit management

Pre-Op & Post-Op Nurse

Prime Surgical Center | Encino, CA
October 2019 - December 2020

- Ran the pre-op and post-op units during peak times. Supervised, delegated, and performed all tasks required to ensure a smooth workflow and excellent patient outcomes
- Optimized the center's specimen handling process and standardized documentation of samples, providing an accurate log of all specimens collected
- Coordinated and completed pre-op and employee COVID testing during the beginning of the pandemic while adapting to rapidly changing circumstances

Critical Care Nurse

Memorial Medical Center | Modesto, CA
March 2018 - June 2019

- Provided high-quality, compassionate care for up to 3 critically ill patients simultaneously
- Responded quickly and effectively to medical emergencies like cardiac arrest, respiratory distress, and septic shock
- Recognized hospital-wide as a "Unique Contributor" during Hospital Week 2019
